VOLUME 16 • INDEX • WINTER, 2000 - FALL, 2000

Authors

Arnhold, RW (with Auxter, DA): **Legislative Update** (Effective legislative advocacy), Winter, p 7
Legislative Update (Planning for the 107th Congress), Spring, p 7
Legislative Update (Physical Education for Progress Act (PEP) update), Summer, p 6
Legislative Update (House and Senate review hot legislative issues), Fall, p 5

Aufsesser, P: **Research Application** (Applications of the constant time delay procedure in adapted physical education), Winter, p 5
Research Application (Spastic diplegia cerebral palsy—A review of its treatment options), Spring, p 5

Beaver, DP: **Editor's Corner** (Approaching a third millennium), Winter, p 4
Editor's Corner (USOC—Bowing to pressure or honoring Amateur Sports Act?), Spring, p 4
Editor's Corner (PALAESTRA to help sponsor WCD—An extension of knowledge & advocacy), Summer, p 4

British Columbia Blind Sports and Recreation Association: Leadership in disability sport: Geraldine York, Spring, p 43

Broida, JK (with Wenzel, KC): Leadership in therapeutic recreation: Marcia Jean Carter, Fall, p 49

Burns, G: Shaping up for Sydney, Summer, p 30

Burton, A (with Dancisak, M): 2000 National Dwarf Games, Fall, p 54

Buswell, D: In memory of Dr. Jean Tague, Fall, p 52

Clark, N: Sport Nutrition, Winter, p 58; Spring, p 58; Summer, p 58; Fall, p 15

Cowart, J: Managing student misbehavior in adapted physical education by good teaching practices, Winter, p 40

Evans, E: Bits & Pieces, Winter, p 52; Spring, p 52; Summer, p 53; Fall, p 53

Gillwald, S: National Ability Center, Winter, p 32

Hedrick, B: **Editor's Corner** (Becoming all that they could be!), Fall, p 4

Hitzhusen, G: Leadership in therapeutic recreation: David M. Compton, Fall, p 50
Leadership in therapeutic recreation: Gary M. Robb, Fall, p 51

Huber, J: Issues, Winter, p 57; Spring, p 57; Summer, p 47
Accessibility vs Wilderness Preservation: Maine's Allagash Wilderness Waterway, Fall, p 22

Kandiah, J: Does nutrition education help lower serum lipid levels in athletes with cerebral palsy?, Spring, p 44

Marley, WP: A physical activity, recreational, and social program for children and young adults with visual impairments. Spring, p 34

Marsh, D (with Evans, E): Team bowling: A great game for inclusion, Spring, p 32

McCubbin, JA: Leadership in adapted physical education: John M. Dunn, Summer, p 50

O'Connor, J (with French, R. and Henderson, H): Use of physical activity to improve behavior of children with autism: Two for one benefits, Summer, p 22

Olenik, L: Leadership in disability sport: Robert Steadward, Spring, p 42

Petrofsky, JS: Spinal cord injury—Part 1: Where are we now? Are there cures in the future?, Summer, p 34
Spinal cord injury—Part 2: Where are we now? Present treatment, Fall, p 30

Piletic, C: Calendar, Winter, p 14; Spring, p 13; Summer, p 12; Fall, p 12

Rimmer, JH: Leadership in adapted physical education: Claudine Sherrill, Summer, p 51

Schack, F: National Scene, Spring, p 9; Summer, p 8; Fall, p 7

Scruton, J: Leadership in disability sport: Hans Lindstrom, Spring, p 40

Shepherd, M: COSD Forum, Winter, p 17; Spring, p 17; Fall, p 55

Sherrill, C: Leadership in adapted physical education: Gudrun Doll-Tepper, Summer, p 49

Short, FX: Leadership in adapted physical education: Joseph P. Winnick, Summer, p 52

Smith, RW: Leadership in therapeutic recreation: David Austin, Fall, p 49

Sneegas, JJ: Leadership in therapeutic recreation: Carol Ann Peterson, Fall, p 51

Stanton, K: APAC Action, Winter, p 12; Spring, p 48

Stein, JU: Publication Reviews, Winter, p 49;. Spring p 49; Summer, p 16; Fall, p 17
Leadership in adapted physical education: David P. Beaver, Summer, p 49

Stopka, C: National Scene, Winter, p 8

Suomi, J (with Suomi, R): Creating an inclusive early childhood swim program—Special Needs Aquatic Program (SNAP), Spring, p 20

Szyman, R: Leadership in disability sport: Stan Labanowich, Spring, p 39

Toleno, JL: Fun, fit, and fifty plus—My saga of inspiration and motivation, Fall, p 29

Webb, D: APAC Action, Summer, p 57; Fall, p 14

Wening, J: Focus on Training, Winter, p 55; Spring, p 55; Summer, p 55

Whitney, ME: Project STRIDE—Sliding successfully for 15 years!, Winter, p 29

Whitsel, L: Body weight and other factors affecting success in pulmonary rehabilitation for individuals with emphysema and chronic bronchitis, Fall, p 39

Winnick, JP (with Short, FX): The Brockport Physical Fitness Test, Winter, p 20

Wise, JB (with Roberts, P): Periodized weight training for individuals with spinal cord injuries, Summer, p 43

Subjects

Accessibility
Accessibility vs wilderness preservation—Maine's Allagash wilderness waterway, Fall, p 22

Adapted Physical Education
Applications of the constant time delay procedure in adapted physical education (**Research Application**), Winter, p 5
Managing student misbehavior in adapted physical education by good teaching practices, Winter, p 40
Leadership in disability sport, adapted physical education & therapeutic recreation: Adapted physical education (David Beaver, Gudrun Doll-Tepper, John Dunn, Claudine Sherrill, Joseph Winnick), Summer, p 48

Advocacy
Effective legislative advocacy (**Research Application**), Winter, p 7

Air Travel
Current status of air travel for those with disabilities—Achievements and remaining issues (**Issues**), Summer, p 47

Amateur Sports Act
USOC—Bowing to pressure or honoring Amateur Sports Act?, Spring, p 4

Americans with Disabilities Act
How has the Supreme Court affected the Americans with Disabilities Act? You be the judge. . .(**Issues**), Winter, p 57
Golf cart use and individuals with disabilities—Will the PGA tour ask the Supreme Court? (**Issues**), Spring, p 57

Amputees
Disabled Sports/USA (**National Scene**), Winter, p 8; Spring, p 9; Summer, p 8; Fall, p 7 Michael J. Doyle, sled hockey (**Focus on Training**), Winter, p 55

APAC Action
Winter, p 12; Spring, p 48; Summer, p 57; Fall, p 14

Aquatics
Heimlich Maneuver—Use in drowning controversy (**Editor's Note**), Spring, p 5
Creating an inclusive early childhood swim program—Special Needs Aquatic Program (SNAP), Spring, p 20
Shaping up for Sydney, Summer, p 30
Aimee Bruder (**Focus on Training**), Summer, p 55

Assessment (see **Testing**)

Autism
Use of physical activity to improve behavior of children with autism—Two for one benefits, Summer, p 22

Behavior (see also **Student Misbehavior**)
Use of physical activity to improve behavior of children with autism—Two for one benefits, Summer, p 22

Bits & Pieces
Winter, p 52 (Hands on experience; Aquadettes; Saving pool drownings; At your own speed; Prader-Willi National Conference; Prader-Willi Center to open; Bradshaw Challenge of Champions; Dr. Davila honored; Ulti-mat; Innovative tool)
Spring, p 52 (Teaching karate from a wheelchair; Computer injuries; Award winner James Ellis; Timothy Nugent honored; Julie Blackburn honored; Uri Bergman—Recipient of John K Williams International Adapted Aquatics Award; National Hydrocephalus Foundation)
Summer, p 53 (Still going strong!; Awareness-building program for ADA advocacy; Bush medal awardees; Aquatic therapy symposium award winners)
Fall, p 53 (National Sports Festival for the Disabled: 2000 Paralympic trials for track & field & multi-sport national championships; 2000 National Dwarf Games; Starting a new career; A 50-year span—Not too old, not too young!; Prader-Willi syndrome information)

Blind (see **Visually Impaired**)

Bowling
Team bowling: A great game for inclusion, Spring, p 32

Bronchitis (Chronic)
Body weight and other factors affecting success in pulmonary rehabilitation for individuals with emphysema and chronic bronchitis, Fall, p 39
Calendar
Winter, p 14; Spring, p 13; Summer, p 12; Fall, p 11
Cerebral Palsy
USCPAA (**National Scene**) , Winter, p 9; Spring, p 10; Summer, p 10; Fall, p 10
Spastic diplegia cerebral palsy—A review of its treatment options (**Research Application**), Spring, p 5
Does nutrition education help lower serum lipid levels in athletes with cerebral palsy?, Spring, p 44
Aimee Bruder (**Focus on Training**), Summer, p 55
Children
Managing student misbehavior in adapted physical education by good teaching practices, Winter, p 40
A physical activity, recreational, and social program for children and young adults with visual impairments, Spring, p 34
Creating an inclusive early childhood swim program—Special Needs Aquatic Program (SNAP), Spring, p 20
Use of physical activity to improve behavior of children with autism—Two for one benefits, Summer, p 22
Congress
Effective legislative advocacy (**Legislative Update**), Winter, p 7
Planning for the 107th Congress (**Legislative Update**), Spring, p 7
Physical Education for Progress Act (PEP) update (**Legislative Update**), Summer, p 6
House and Senate review hot legislative issues (**Legislative Update**), Fall, p 5
Conferences/Congresses
PALAESTRA to help sponsor WCD—An extension of knowledge & advocacy, Summer, p 4
COSD Forum
Winter, p 17; Spring, p 17; Fall, p 55
Deaf
USADSF (**National Scene**), Winter, p 9; Spring, p 10; Summer, p 10;
Diets
Weight management: Is your body Y2K compliant?, Winter, p 58
Discrimination
Becoming all that they could be!, Fall, p 4
Drowning (see **Aquatics**)
Dwarfs
DAAA (**National Scene**), Summer, p 8; Fall, p 7
2000 National Dwarf Games (**Bits & Pieces**), Fall, p 54
Early Childhood
Creating an inclusive early childhood swim program—Special Needs Aquatic Program (SNAP), Spring, p 20
Editor's Corner
Approaching a third millennium, Winter, p 4
USOC—Bowing to pressure or honoring Amateur Sports Act?, Spring, p 4
PALAESTRA to help sponsor WCD—An extension of knowledge & advocacy, Summer, p 4
Becoming all that they could be!, Fall, p 4
Emphysema
Body weight and other factors affecting success in pulmonary rehabilitation for individuals with emphysema and chronic bronchitis, Fall, p 39
Evaluation (see **Testing**)
Fencing
Scott Rodgers, quadriplegia, fencing (**Focus on Training**), Spring, p 55
Focus on Training
Winter, p 55 (Michael J. Doyle, amputee, sled hockey) Spring, p 55 (Scott Rodgers, quadriplegia, fencing) Summer, p 55 (Aimee Bruder, cerebral palsy, swimming)
Golf
Golf cart use and individuals with disabilities—Will the PGA tour ask the Supreme Court? (**Issues**), Spring, p 57
Heimlich Maneuver
Heimlich Maneuver—Use in drowning controversy (**Editor's Note**), Spring, p 5
Inclusion
Creating an inclusive early childhood swim program—Special Needs Aquatic Program (SNAP), Spring, p 20
Team bowling: A great game for inclusion, Spring, p 32
International Olympic Committee (IOC)
Becoming all that they could be!, Fall, p 4
Issues
How has the Supreme Court affected the Americans with Disabilities Act? You be the judge. . ., Winter, p 57
Golf cart use and individuals with disabilities—Will the PGA tour ask the Supreme Court?, Spring, p 57
Current status of air travel for those with disabilities—Achievements and remaining issues, Summer, p 47
Accessibility vs wilderness preservation—Maine's Allagash wilderness waterway, Fall, p 22
Leadership
Leadership in disability sport, adapted physical education & therapeutic recreation: Disability sport (Stan Labanowich, Hans Lindstrom, Robert Steadward, Geraldine York), Spring, p 38
Leadership in disability sport, adapted physical education & therapeutic recreation: Adapted physical education (David P. Beaver, Gudrun Doll-Tepper, John M. Dunn, Claudine Sherrill, Joseph P. Winnick), Summer, p 49
Leadership in disability sport, adapted physical education & therapeutic recreation: Therapeutic recreation (David Austin, Marcia Jean Carter, David M. Compton, Carol Ann Peterson, Gary M. Robb), Fall, p 48
Legislative Update
Effective legislative advocacy, Winter, p 7
Planning for the 107th Congress, Spring, p 7
Physical Education for Progress Act (PEP) update, Summer, p 6
House and Senate review hot legislative issue, Fall, p 5
Letters
Filling a vacancy, Summer, p 5
Lipid Levels
Does nutrition education help lower serum lipid levels in athletes with cerebral palsy?, Spring, p 44
National Scene
Winter, p 8 (DS/USA, SOI, USABA, USADSF, USCPAA, WSUSA)
Spring, p 9 (DS/USA, SOI, USABA, USADSF, USCPAA, WSUSA)
Summer, p 8 (DAAA, DS/USA, SOI, USABA, USADSF, USCPAA, WSUSA)
Fall, p 7 (DAAA, DS/USA, SOI, USABA, USCPAA)
Nutrition Education (see also **Sport Nutrition**)
Does nutrition education help lower serum lipid levels in athletes with cerebral palsy?, Spring, p 44
Olympic Games
Becoming all that they could be!, Fall, p 4
Paralympics
Shaping up for Sydney, Summer, p 30
Becoming all that they could be!, Fall, p 4
Physical Activity Programs
Creating an inclusive early childhood swim program—Special Needs Aquatic Program (SNAP), Spring, p 20
A physical activity, recreational, and social program for children and young adults with visual impairments, Spring, p 34
Use of physical activity to improve behavior of children with autism—Two for one benefits, Summer, p 22
Physical Education for Progress Act (PEP)
Physical Education for Progress Act (PEP) update, (**Legislative Update**), Summer, p 6
Physical Fitness
The Brockport Physical Fitness Test, Winter, p 20
Professional Golfers' Association (PGA)
Golf cart use and individuals with disabilities—Will the PGA tour ask the Supreme Court? (**Issues**), Spring, p 57
Publication Reviews
Winter, p 49 (Physical activities ideas for action: Elementary level and secondary level; Cooperative learning in physical education; Advanced fitness assessment and exercise prescription (Third edition); Inclusive games: Movement for everyone; Ai Chi: Flowing aquatic energy; BACKHAB: The water way to mobility and pain free living; The Brockport Physical Fitness Manual: A health-related test for youths with physical and mental disabilities)
Spring, p 49 (Adapted Physical Activity Quarterly: Questioning our research assumptions; Development and exercise: An innovative, multi-system approach for professionals and families; From trash to treasure: New ideas for PE class; A guide for teaching SCUBA divers with special needs; A wheely good access guide to Sydney, Australia; Adapted aquatics programming: A professional guide; Student-centered physical education: Strategies for developing middle school fitness and skills; Essential principles of aquatic therapy and rehabilitation: A study guide for the aquatic therapy and rehabilitation industry certification; I CAN primary skills: K-3 [Second Edition])
Summer, p 16 (Advocacy is not a four letter word [video]; Psychomotor domain training and serious disabilities; Building the total athlete: Strength training and physical conditioning for junior and senior high school athletes; Activities for everyone: Children of all abilities in regular physical activity program—A hands-on lesson plan book; Motor learning and performance: A problem based learning approach [Second Edition]; Student learning in physical education: Applying research to enhance instruction; Children with asthma and physical exercise: Effects of a physical exercise programme for children with asthma)
Fall, p 17 (Principles and methods of adapted physical education [Ninth Edition]; Life after SCI [Volume one, video]; Making a place for kids with disabilities; Adapted physical activity, recreation and sport: Crossdisciplinary and lifespan [Fifth Edition]; Pediatric annerobic performance; Adapted physical education and sport [Third Edition]; Fitness cross training [Fitness spectrum series].
Pulmonary Rehabilitation
Body weight and other factors affecting success in pulmonary rehabilitation for individuals with emphysema and chronic bronchitis, Fall, p 39

Quadriplegia (see also **Spinal Cord Injuries**)
Scott Rodgers, quadriplegia, fencing (**Focus on Training**), Spring, p 55
Recreation
A physical activity, recreational, and social program for children and young adults with visual impairments, Spring, p 34
Leadership in disability sport, adapted physical education & therapeutic recreation: Therapeutic recreation (David Austin, Marcia Jean Carter, David M. Compton, Carol Ann Peterson, Gary M. Robb), Fall, p 48
In memory of Dr. Jean Tague, Fall, p 52
Research Applications
Application of the constant time delay procedure in adapted physical education, Winter, p 5
Spastic diplegia cerebral palsy—A review of its treatment options, Spring, p 5
Skiing
Project STRIDE—Sliding successfully for 15 years!, Winter, p 29
National Ability Center, Winter, p 32
Sled Hockey
Michael J. Doyle, amputee (**Focus on Training**), Winter, p 55
Social Programs
A physical aciivity, recreational, and social program for children and young adults with visual impairments, Spring, p 34
Special Olympics (SOI)
National Scene, Winter, p 8; Spring, p 9; Summer, p 9; Fall, p 8
Spinal Cord Injuries
Spinal cord injury—Part 1: Where are we now? Are there cures in the future?, Summer, p 34
Periodized weight training for individuals with spinal cord injuries, Summer, p 43
Spinal cord injury—Part 2: Where are we now? Present treatment, Fall, p 30
Sport
Leadership in disability sport, adapted physical education & therapeutic recreation: Disability sport (Stan Labanowich, Hans Lindstrom, Robert Steadward, Geraldine York), Spring, p 38
Sport Nutrition (see also **Nutrition Education**)
Weight management: Is your body Y2K compliant?, Winter, p 58
Three ways to weaken your workout, Spring, p 58
ENERGY BARS: Better than a banana?, Summer, p 58
PROTEIN POWDERS and SUPPLEMENTS: Do athletes need them?, Fall, p 15
Student Misbehavior (see also **Behavior**)
Managing student misbehavior in adapted physical education by good teaching practices, Winter, p 40
Supreme Court
How has the Supreme Court affected the Americans with Disabilities Act? You be the judge...(**Issues**), Winter, p 57
Golf cart use and individuals with disabilities—Will the PGA tour ask the Supreme Court? (**Issues**), Spring, p 57
Swimming (see **Aquatics**)
Teaching Practices
Managing student misbehavior in adapted physical education by good teaching practices, Winter, p 40
Testing
The Brockport Physical Fitness Test, Winter, p 20
United States Olympic Committee (USOC)
USOC—Bowing to pressure or honoring Amateur Sports Act?, Spring, p 4
Becoming all that they could be!, Fall, p 4
Visually Impaired
A physical activity, recreational, and social program for children and young adults with visual impairments, Spring, p 34
USABA (**National Scene**), Winter, p 9; Spring, p 10; Summer, p 9; Fall, p 9
Fun, fit, and fifty plus—My saga of inspiration and motivation, Fall, p 29
Weight Management
Weight management: Is your body Y2K compliant?, Winter, p 58
Body weight and other factors affecting success in pulmonary rehabilitation for individuals with emphysema and chronic bronchitis, Fall, p 39
Weight Training
Periodized weight training for individuals with spinal cord injuries, Summer, p 43
Wheelchair Sports
Wheelchair Sports, USA (**National Scene**), Winter, p 10; Spring, p 12; Summer, p 11
Leadership in disability sport: Stan Labanowich, Spring, p 39
Wilderness
Accessibility vs wilderness preservation—Maine's Allagash wilderness waterway, Fall, p 22
Winter Activities
Project STRIDE—Sliding successfully for 15 years!, Winter, p 29
National Ability Center, Winter, p 32
Michael J. Doyle, amputee, sled hockey (**Focus on Training**), Winter, p 55
Workouts
Three ways to weaken your workout (**Sport Nutrition**), Spring, p 58
Young Adults
A physical activity, recreational, and social program for children and young adults with visual impairments, Spring, p 34
